 Samples

See also: swapshops @ Neompl, reuse stories, any where.

Make A Base

(A) UNFOLD AN existing envelope

(B) use the item you are sending

(C) Free Form! Make A or of any size!

Step three (3)

TRACE (or MARK) your BASE

MAKE the sides short + tops + bottoms

Step one

gather your Materials

Scissors or knife
 Glue
 Tape
 Extra envelopes (optional)

Source Materials

Steps 4-6

CUT

FOLD

Adhere

What's in there!!

Making your own ENVELOPES

TO Surprise + delight your friends, loved ones, + everyone else!

Remember!

Any size is good for something!

- When in doubt, use as much of the page as you can

- Hold up to the light for perfect placement

Celebrate! you've done it!

OUT

Building Rural URBTO + community, visibility, knowledge + Power!
